

RECREATIONAL AIRCRAFT ASSOCIATION OF CANADA

Vancouver Chapter 85 General Meeting 7 April 2009

Executives Attending: Tim Nicholas, Bruce Prior, Carol Foley, Eric Munzer, Don Souter, Rob Prior, Gerard Van Dijk, John Macready. Total persons attending: 32.

Technical Difficulties: There were technical difficulties with merging a laptop with the projector. Bruce's MacBook didn't work and neither did Don Briggs's PC. Rob's PC did work and then all was fine. The invited speaker filled in the waiting time answering questions.

Presentation: Speaker Jim Mathews' presentation on the Avro Arrow got underway at last about 1950. It was a one-hour DVD video followed by a question period. He left us a picture of Roll Out Day, 4 October 1957 (the same day Sputnik went up to orbit). He also left a copy of the DVD with us.

General Meeting: The General Meeting commenced at 2130.

Correspondence and Visitors: There were no visitors and no correspondence.

Treasury: Carol reported. Banquet costs are still being assembled. She gave the Secretary a hard copy of her report for filing.

Membership: It stands at 65 souls.

Buildings: There's a new key for the paintshop. See Gerard.

Library: Bill and Carol built a cabinet for the Library. The Library door is still waiting for hinges. Shelves are planned.

VP: No report.

Aircraft: New gaskets were installed in the intake manifold. No problems now except some wing fabric is waiting for some touch-up repairs.

RAAC: No report.

DapCom: The next Delta Breakfast is on Sunday 12 April.

Newsletter: No report.

Programs: No speaker yet for May. Darren Adam (AME and film maker) will speak in June.

Adjourn: 2142.
