Recreational Aircraft Association of Canada

Vancouver Chapter 85
General Meeting 7 July 2009
Notes

Executives Attending: Eric Munzer, Tim Nicholas, Bruce Prior, Rob Prior. Total persons attending approximately 15. No quorum.

Presentation: Bruce played a video Rob found on CBS News about a 92-year-old country newspaper editor who delivers his papers by throwing them out the window of his Piper Cub. Go here to watch it again: http://www.cbsnews.com/video/watch/?id=4763472n.

General Meeting: There was no formal meeting as there was no quorum. These notes record only items of interest.

Aircraft: The Turbi is operating OK. The radio works fine. Alex asked if there had been a decision by the executive that members not be permitted to fly the Turbi to the USA in the future. [Post-meeting note: Bruce checked the minutes and no such decision was recorded.]

DapCom: The BBFC Executive has been invited to meet with the RAA Executive at its executive meeting on 21 July. The two executive bodies will discuss the pros and cons of BBFC sharing the RAA Clubhouse in the future.
The Embree Heritage House Restoration work has ground to a halt until Metro Vancouver decides who will project manage it.

Programs: The August meeting will be BBQ-Hot Dog night plus inspection visits of Terry Wilshire's and Gerald Ohm's aircraft rebuild projects. Also, members with aircraft will display them at the Clubhouse.

Fly-In: The Fly-In was a big success with over 60 aircraft attending and 177 breakfasts sold.

Achievements: Henry Vogt flew his recently completed RV-9A last week. Congratulations, Henry! Bob Lalonde rolled out his recently rebuilt Rand KR-2 just in time to go on display at the Fly-In. He hasn't flown it yet.
